## Disclosure & Barring Service – Working Together to Safeguard

Safeguarding is everybody's responsibility and at DBS our mission is to put safeguarding at the heart of everything we do.

These sessions will provide information on making safer recruitment decisions and helping prevent unsuitable people working with vulnerable groups, including children.

The sessions will cover:

- DBS and its role in safeguarding
- The services provided by the Disclosure and Barring Service
- Referral responsibilities and good referral practices

These **free** sessions are aimed at those who have a responsibility for providing information, such as those in the MASH teams, Disclosure Units, Data Protection teams, Social Workers and similar.

### Children's Session

Date	Venue	Time
26.09.2019	Hinchingbrooke Country Park, Brampton Road, Huntingdon, PE29 6DB	9.30-12.30
